

Primary Care Physicians

Your primary care physician is your personal doctor who cares for most of your medical needs. When you need to see a specialist, your primary care physician will process a referral for you. Physician profiles are available at www.beavermedicalgroup.com.

When you choose a new primary care physician you need to notify your insurance company. Please also call a Beaver Medical Group Patient Liaison at (800) 831-0001 to have your chart transferred. The Liaison can also provide information about the doctors.

Redlands Main Office

2 W. Fern Ave.
(909) 793-3311

Family Medicine
